HIGHLY CONFIDENTIAL - ATTORNEYS' EYES ONLY

In re: Uber Techs., Inc. Passenger SA Litigation (Case No. 3:23-md-03084)
Emilie Boman – 30(b)(6) Deposition Aid

Topic No. 3: Uber's payments to nonprofit organizations whose work involves combatting sexual violence (including the amount(s), date(s), and circumstances of the payment(s)).

Research Process:

- At the direction of legal counsel, multiple individuals from Uber's finance, legal, and policy teams reviewed finance databases and databases containing purchase orders for responsive information regarding the organizations listed below.
- Where available, date and amount of payment was pulled and recorded below.
- Additional information was pulled from the U.S. Safety Reports, Driving Change blogs, documents produced in this litigation (cited below), Uber's discovery responses (cited below), and other internal research (by members of Uber's policy and finance teams).

Data Limitations:

- Purchase order payments were not mandatory until 2020, therefore pre-2020 information is incomplete.
- "Data Not Found" indicates that no purchase orders were readily accessible and as a result, any amounts paid to such organizations cannot be readily verified.
The "Total Spend" numbers reflected at the end of the deposition aid were calculated using a currency converter with the rates as of September 30, 2025: <https://www.x-rates.com/>.
- The numbers reflected below are understated and incomplete in light of the data limitations above.

- \$5M over 5 years in 2017
- Additional \$2.5M in 2019
- Additional \$2.6M in 2021
